SUMMARY OF INFORMATION

A dirt road and trees are in the target vicinity. At first I experienced an outdoors feeling. Then I saw crates wherein something was being loaded and offloaded. A structure is located in the area. A modern object made of gold chrome can be found inside on exhibit. People are watching the target, ie. ~~metronome~~. See attached sketches. A light is shining on this object. Nickels are placed face up in a domino effect position. (See attached sketches). Energy transference is involved and this target is business related.
